

14th European Conference on Artificial Life

Lyon, France
Sept 4-8, 2017

> create
> play
> experiment
> discover

Csaba Pal

Biological Research Centre,
Szeged, (Hungary)

**Complex adaptations in
evolution**

Frances Westall

CNRS, Orléans (France)

& Thomas Georgelin

UPMC, Paris (France)

Rocks and the origin of life

Viola Schiaffonati

Politecnico di Milano (Italy)

**Experimenting with computing:
Stretching the traditional
notion of experimentation**

Philippe Faure

UPMC, Paris (France)

**Drug addiction and
alteration of decision making
process**

Sabine Hauert

University of Bristol (UK)

Swarming nanomedicine

Bill Sellers

University of Manchester (UK)

**Reconstructing ancient life using
Virtual robots**

Andreas Wessel-Therhorn

Animator and film director

& Laurent Pujo-Menjouet

Université Lyon 1 (France)

The illusion of life
