Introduction

Introduction

- Software Engineering Thematic Group
 - en français Groupe thématique Génie logiciel (GL)
- 1 of the 9 thematic groups of CRIStAL
- CRIStAL = the university lab since 1/1/2015
 - previously LIFL
 - CRIStAL = LIFL + LAGIS

Introduction

- CRISStAL: a 2-level structure
 - 9 thematic groups
 - teams within groups (between 2 and 5)
- Software Engineering thematic group
 - Carbon, CARAMEL, RMoD, Spirals
 - 65 persons (as of today)
 - (CRISStAL: 428 persons as of 1/1/2015)

Introduction

- Role of a Thematic Group
 - scientific animation of a domain
 - interface with the lab
 - unit for the next university evaluation by the HCERES (in 2018)

Introduction

- Software Engineering activities
 - Software engineering seminar
 - Several conferences organized in 2015
 - EvoLille (BENEVOL, EOSESE, RIMEL) – 3-4 December
 - ComPAS – 30 June - 3 July
 - This day
 - know each other activities
 - foster discussions
 - maybe bootstrap some cross-team activities
 - enjoy...
