

Dataset Copyright License for non-commercial scientific research purposes

Please read carefully the following terms and conditions and any accompanying documentation before you download and/or use the Toyota Smarthome dataset (the "Dataset"). By downloading and/or using the Dataset, you acknowledge that you have read these terms and conditions, understand them, and agree to be bound by them. If you do not agree with these terms and conditions, you must not download and/or use the Dataset. Any infringement of the terms and conditions of this agreement will automatically terminate your rights under this License.

Ownership

The Dataset and the associated materials have been developed and are owned by Toyota Motor Europe NV/SA (hereinafter "TME"). Any copyright or patent right is owned by and proprietary material of TME (hereinafter the "Licensor").

License Grant

Licensor grants you (the "Licensee") personally a non-exclusive, non-transferable, free of charge right to:

- install the Dataset on computers owned, leased or otherwise controlled by you and/or your organization; and
- use the Dataset for the sole purpose of performing non-commercial scientific research, non-commercial education, or non-commercial artistic projects.

Any other use, in particular any use for commercial purposes, is prohibited. This includes, without limitation, incorporation in a commercial product, use in a commercial service, train machine learning models for commercial applications, or production of other artefacts for commercial purposes.

The Dataset shall not be reproduced, modified, distributed and/or made available in any form to any third party without Licensor's prior written permission. The Licensee shall also be precluded from reverse engineering, disassembling or decompiling the Dataset.

No Distribution

The Dataset shall not be copied, shared, distributed, re-sold, offered for re-sale, transferred or sub-licensed in whole or in part except that you may make one copy for archive purposes only.

Disclaimer of Representations and Warranties

You expressly acknowledge and agree that the Dataset is provided "AS IS", may contain errors, and that any use of the Dataset is at your sole risk. LICENSOR MAKES NO REPRESENTATIONS OR WARRANTIES OF ANY KIND CONCERNING THE DATASET, NEITHER EXPRESS NOR IMPLIED,

AND THE ABSENCE OF ANY LEGAL OR ACTUAL DEFECTS, WHETHER DISCOVERABLE OR NOT. Specifically, and not to limit the foregoing, Licensor makes no representations or warranties (i) regarding the merchantability or fitness for a particular purpose of the Dataset, (ii) that the use of the Dataset will not infringe any patents, copyrights or other intellectual property rights of a third party, and (iii) that the use of the Dataset will not cause any damage of any kind to you or a third party.

Limitation of Liability

The Licensor is not liable for any direct or indirect losses or damages of Licensee and/or any third party, losses or damages to property, loss of business or data, or for any special, direct, indirect, consequential, or incidental losses or damages of any kind, and whether personal or not, arising from use of the Dataset.

No Maintenance Services

You understand and agree that the Licensor is under no obligation to provide either maintenance services, update services, notices of latent defects, or corrections of defects with regard to the Dataset. The Licensor nevertheless reserves the right to update, modify, or discontinue the Dataset at any time.

Publications using the Software

You acknowledge that the Dataset is a valuable scientific resource and agree to appropriately reference the following paper in any publication making use of the Dataset.
